Decisions on racing in marginal weather will be made by 1300 hrs

Courses will be displayed on the Course board in the club house

Race Results will be announced at approximately 5.00 pm, or at the conclusion of racing

In principle, weather permitting, 2 races will be run each normal race day

Races postponed on Saturday may be re-sailed on another sailing day

Championship races will not be run ahead of schedule, but can be caught up with multiple championship races on one race day

If a championship race clashes with a regional or national class regatta, the race for that class will be postponed to another championship race day

The championship is run over 10 races, best 8 to count
